Sir:

Pursuant to 37 CFR §1.56, the attention of the Patent and Trademark Office is hereby further directed to the references listed on the PTO-1449 filed on October 20, 2008.

Applicants have discovered an error made in the Information Disclosure Statement filed October 20, 2008, which was made without any deceptive intent. Applicants hereby clarify the record, because the Information Disclosure Statement filed October 20, 2008, inadvertently contained an incorrect certification. References 1-12 as listed on the PTO-1449 filed on October 20, 2008, were first cited in two foreign Office Actions in a counterpart foreign application *more than three months prior* to the filing of that Information Disclosure Statement. Copies of these two foreign Office Actions are enclosed herewith, each with an English translation, for the Examiner's reference.

Therefore, the fee under 37 CFR §1.17(p) in the amount of \$180.00 was due. However, this \$180 fee was debited from Deposit Account 15-0461 on November 4, 2008. Accordingly, no further fee is currently due.

Respectfully submitted,
